female photographer Hogan Kim (Horgan Kim) is a very active foreign social networking platform Instagram users. She love shooting bike against the wall picture, called "bicycle and the wall against". Hogan taking photos is that she skillfully the old buildings, bright paint on the wall, complex graffiti and murals are transformed into a part of the works of cathartic, cycling and complement each other. Chinese city in fact, do not lack such a graffiti Hogan started riding a little for a special reason -- after a divorce seven years ago, she chose a bike to heal her wounds. She almost rode through all corners of the city of Kansas, looking for more interesting places to shoot her Jamis road bike (and later she has acquired Bianchi, Pinarello and so on as the protagonist). Sometimes, her car in the near perfect posture appeared in a middle of the path, as if there is a see see rider leaning it, put a sultry pose "temptation" reader jumped into the photo, a trip to the sunset ride. Other times, her Jamis may reclining in the bright yellow door, or next to the Nelson Atkins Museum of Art (Kansas City landmarks) of a sculpture. One by one to browse the bicycle photos on Hogan Ins, from the different shapes of old buildings to the colorful light and color, it seems that in Kansas City, a city full of unknown adventure tour. museum next to the bike keen to shoot a bicycle photographer Hogan Kim (Horgan Kim) < p > "shooting bicycle, we can feel free in the picture," she said, "when you see a bike, it quietly station where, instead of staying in a fierce competition or is a noisy collective riding. You can sense the meaning of adventure and exploration. That's why I like to ride a bike." below is the 6 little tricks Hogan shares on bike photography. skills 1 can be acutely aware of any interesting things, including interesting colors, patterns, a corner of the city there are many beautiful things around, but we can't see the car in the car. In the west of Kansas City, you will see all kinds of building exterior wall paint colorful, turquoise color, red, orange, yellow... These are excellent shooting backgrounds. At some intersections, there are great street graffiti, and the patterns are always changing. So riding a bicycle in the streets of the shuttle is actually a very fun experience. Go to the suburbs, where it is easier to see the old building, or the abandoned house, the deserted path. in the city to a bicycle light travel, encounter special street graffiti tips 2 to make their own station is better than lying down when I ride to the car on the road, always take a photo. It's just a kind of off.
